President Stuckey reported on the Trustees Conference that he and Cindy Krueger attended on November 14. He noted that the conference was geared more toward academics than trustee issues.

Dr. Krueger, Vice President for Academic and Student Services spoke briefly relative to the Complete College America Co-requisite Scale Up Academy sponsored by the Ohio Department of Higher Education that she had attended along with four faculty members and the Dean of Arts and Sciences. Faculty are preparing to scale up the accelerated options in developmental English and reading. The accelerated option places developmental students in a college level English course along with a remedial course during the same semester.

Fall enrollment numbers as of November 29, 2016 are as follows:

Heads	4,076	+3.2%	
FTE	980.4	+2.3%	
· · · · · · · · · · · · · · · · · · ·	delthe a ship a sec	an averative la station	to the owner

This increase is due to the addition of the agency students into the enrollment numbers.

Spring 2017 enrollment is as follows with 44 days to go prior to start:

U	Heads	1,727	-15.5%
	FTE	446.1	-17.5%

Kathy Soards, Chief Fiscal and Administrative Officer reported that we have received an update from legal counsel relative to the discrimination charges filed by a former Phlebotomy program student against the college. The Court of Claims has set discovery dates and the college is expecting to hear from legal counsel soon regarding depositions.

Vice President for Innovation, Todd Hernandez, announced that the truck driving program has suspended the academic school but will continue to do workforce development work in truck driving for certification renewals.

Mari Yoder, Vice President for Institutional Advancement, will be working on options to create an urgency for students to enroll.

Associate Vice President for Strategic Initiatives, Jim Hoops, announced that Chancellor John Carey; State Superintendent of Public Instruction, Paola DeMaria; and Director of the Governor's Office of Workforce Transformation, Ryan Burgess will be on campus February 7, 2017. These state leaders will be present to discuss the workforce efforts in our region.

Lori Robison, Associate Vice President for Academics reviewed progress to date from the November 2015 campus climate survey.

To maintain the scholarship, the student must maintain a 2.5 GPA, remain in the career field and enroll full-time for each semester following high school. Grade point average will be used to determine award recipients if needed.

NEW POLICY – FINANCIAL AID FRAUD

16-97

WHEREAS, a policy is needed to establish guidelines for the prevention, identification of and response to identification of identity theft and financial aid fraud; and

WHEREAS, the Chief Fiscal and Administrative Officer and the President recommend

NOW, THEREFORE BE IT RESOLVED, that the following Financial Aid Fraud Policy be established, effective upon approval:

Northwest state community college has established guidelines for the prevention, identification of and response to identification of identity theft and financial aid fraud.

What are identity theft and financial aid fraud?

Identity theft

Individuals who use personally identifying information of other people to apply for admission to

college, receive financial aid and then enroll in classes are committing identity theft. Often, the victimized student is not aware that they have been enrolled in classes, and the financial aid funds in their name are sent to the individual who is perpetrating the fraud. This frequently results in the victimized student being left with unpaid debt at the institution and with the U.S. Department of Education due to student loans that were obtained in their name.

Financial aid fraud

Students and potential students who enroll in classes and accept financial aid based on enrollment with no intent to complete classes may be considered perpetrators of financial aid fraud. The student's tuition and fees are usually paid by financial aid funds, and the student receives a refund of financial aid funds in excess of those costs.

Students, parents, spouses, college staff and all others are responsible for accurately portraying information submitted on the FAFSA, and in all supporting documents to the financial aid application process. Such documents include, but are not limited to, the FAFSA, verification forms, time sheets, signature pages, appeal applications, correspondence, etc. Falsification of financial aid documents is an extremely serious offense. Students and others who fraudulently complete financial aid documents will be subject to disciplinary action, which may include loss of eligibility for all financial assistance, termination from all college employment programs, and referral to the U.S. department of education for criminal prosecution.

Response to financial aid fraud or identify theft

When a northwest state community college student is identified as being a potential victim of identity theft or involved in financial aid fraud, their account at the college is placed on hold. This hold prevents students from registering and prevents their financial aid from disbursing to their student account. Financial aid funds for the current semester may also be revoked pending resolution. The hold will remain in place until the student has provided all documents that northwest state may request. Northwest state reserves the right to leave the hold in place until those documents are provided by the student *in person* to the director of financial aid or designee. The student may be asked questions particular to their status in order to positively determine their identity and intent as a student at northwest state. The student may also be asked to submit additional documentation in order to clarify the student as a student. Additional documentation may include, but not be limited to:

- Unexpired state issued photo id
- · Proof of residency at the address listed on the student's college records
- Social security card
- Birth certificate
- Official high school transcript or GED from the issuing entity
- Official transcripts from other institutions of higher education that the student has previously attended

When the college has credible information that suggests that an individual has engaged in fraud or other criminal misconduct, the case will be reported to the regional office of the inspector general and, if applicable, the state or local law enforcement agencies as specified by the U.S. Department of Education under section 668.14(g) of the general provisions regulation. In these instances the college will leave the student account hold in place until instructed by the department of education that it is appropriate to lift the hold. Students identified to be involved in financial aid fraud will also be referred to the dean of students for possible disciplinary action up to and including expulsion from the college. All monies paid to the student that are determined

to have been the result of fraud will be immediately due to the college. If not repaid, this debt will be referred to a collection agency for collection and legal action, and may also be referred to the U.S. Department of Education. Debts that are referred to a collection agency are subject to fees for the costs associated with collecting the debt, including attorney fees and court costs.

Any fraud that the college refers to the department of education may result in criminal prosecution. Criminal prosecution may result in a fine of up to \$20,000, imprisonment for up to five years, or both.

Students who are victims of identity theft and/or financial aid fraud are urged to file a police report and seek assistance from appropriate authorities outside of the college. This may include contacting credit bureaus and banking institutions.

Board Report - President's Office Submitted by: Dr. Tom Stuckey – January 31, 2017

It actually happened. NSCC and Terra were "officially" awarded the 2016-17 Innovation Grant for the Workforce Training we are doing at Scott Park. This basically covers the current year's expenses for NSCC that we incurred for Scott Park. Ten minutes after we received the award, NSCC submitted the 2017-18 Innovation Grant proposal (\$750,000) to continue the growth and funding of the Scott Park collaborative for 2017-18 academic year.

The 2016-2020 Strategic Plan is being revised to address the economic realities of 2017. The plan was written during the 2015-16 academic year with very different assumptions than what the 2017-18 academic year is likely to bring.

NORTHWEST STATE COMMUNITY COLLEGE VICE PRESIDENT FOR ACADEMICS INFORMATION ITEMS FOR BOARD OF TRUSTEES January 2017 Submitted by: Lori Robison

- The Ohio Department of Higher Education acknowledged the contributions of two faculty members as TAG Review Panel Leads: Dr. Melissa Faber, for Psychology and Dr. Von Plessner, for Economics. Each assisted their respective panels in discussion of the College-Level Examination Program (CLEP) scores that should be the uniform standard for awarding college credit. There is now a statewide agreement on the required CLEP scores for awarding credit in 11 different subject areas.
- The Math, Science & Engineering Technology Division began working on a divisional Strategic Plan during their fall retreat in order to be more intentional in carrying out the institution's plan. Goals were established in three areas:
 1) Sustained focus on student success
 - 2) Leadership In STEM education
 - 3) Support of the region

, 11 5

Other activities of the Division include:

- Faculty Colin Doolittle and Mike Kwiatkowski visited Tinora, Defiance, and Sylvania Southview high schools to discuss STEM programs..
- Held the Engineering Advisory Board meeting on November 9, 2016. There were 32 guests from local business and industry.
- **WE ARE STEM** event was held on November 18, 2016. Five faculty conducted presentations for participating students.
- Dr. Dan Burklo, Division Dean, serves as chair of the Ohio
 Engineering Technology Educators Association (OETEA) and organized the conference held in Columbus, Ohio on October 28.
- Faculty member Dave Mohring attended an AFCO meeting and presented information on the College Credit Plus opportunities for students, such as Automatic Feed and Defiance Metal Products.
- The Allied Health & Public Services Division will be partnering with the Ohio Peace Officer Training Academy (OPOTA) to sponsor required continuing education and training to local law enforcement officers. The Defensive Tactics room has been requested by our regional director as an ideal location to provide this training and reduce costs and travel for local officers.

Academy Commander, Dave Mack, has offered to pilot the curriculum **Blue Courage** in the NSCC Law Enforcement Academy. OPOTA is considering adopting the curriculum statewide. Commander Mack is one of very few individuals certified to present the curriculum in the State. The **Medical Assisting Program** will host a **site visit** of the Medical Assisting Education Review Board on March 20-21 in order to obtain reaccreditation through the Commission on Accreditation of Allied Health Education Programs.

- The Nursing Division reports that the December 2016 Registered Nursing graduates have a 100% pass rate on National Council Licensure Exam (NCLEX-RN). All Practical Nursing graduates from December 2015 and July 2016 (both Archbold and Van Wert) have passed the Ohio Board of Nursing exam for Practical Nursing, another 100% pass rate.
- The Arts & Sciences Division focused efforts on student registration from fall to spring semesters. The Division Secretary contacted students who were not registered to schedule advising appointments. The results were as follows:

Total Number of students: 67 42% (28) were already registered 58% (39) were not registered and received a call

Of the 39 students contacted, 31% (12) made advising appointments and registered 38% (15) had Satisfactory Academic Progress issues 21% (8) Business Office Hold (owed money) 10% (4) phone not in service

The Division provided academic advising for 26 continuing students and approximately 5 new students on the three Registration Days between December and January.

 Northwest State hosted Dr. Rob Johnstone of the National Center for Inquiry and Improvement and author of Guided Pathways Demystified: Exploring Ten Commonly Asked Questions about Implementing Pathways. Dr. Johnstone's presentation was held on Friday, January 20. Of those attending the event, there were 43 faculty, 36 administrators/staff, and a Board member. Dr. Johnstone's presentation was funded by a grant through the Ohio Association of Community Colleges and the Ohio Student Success Leadership Institute.

Here is a summary of the goals of guided pathways:

The Pathways Project is asking the colleges to achieve four objectives. First, colleges should clarify students' choices with program maps developed by faculty members and advisers that connect to careers and employment. Second, the colleges should help students enter a pathway by redesigning their traditional remediation courses. Third, the colleges should offer strong advising to help students stay on a pathway. And finally, colleges should make sure students are learning by having high-quality pedagogy and establishing learning outcomes tied to employment or further education (Excerpt for Inside Higher Ed, April 11, 2016).

NORTHWEST STATE COMMUNITY COLLEGE VICE PRESIDENT FOR INSTITUTIONAL EFFECTIVENESS & STUDENT SUCCESS INFORMATION ITEMS FOR BOARD OF TRUSTEES January 23, 2017 Submitted by: Cindy Krueger

INSTITUTIONAL GOAL 1: CREATE AND MAINTAIN AN ENVIRONMENT ENCOURAGING EXCELLENCE AND SUCCESS IN ALL ASPECTS OF THE STUDENT EXPERIENCE.

SUCCESS CENTER - Jason Rickenberg

Fall 2016 End of semester numbers: 9-6-16 through 12-15-16

- 418 one-on-one or group tutoring sessions
- 1,034 tutoring sessions in the labs (Math, Writing, Accounting, Life Sciences and Nursing)
- 556 total student test proctoring sessions. 83 students from other institutions (Rhodes, OSU ATI, Franklin U.) completed make-up testing.
- 47 NSCC fall 2016 graduates were proctored for the graduate assessment test
- 490 interactions through eTutoring, including 481 asynchronous writing submissions, 2 eQuestion posts and 7 Synchronous eChats.
- There were at total of 32 tutors (faculty, adjuncts and students) employed during the fall 2016 semester.
- There has been an increase usage of eTutoring during the 2016 school year.
 - eTutoring Active Accounts have increased by 8%
 - ePaper submissions have also increased by 8%
 - Hours of support have increased by 7%
 - During the OADE Conference on 11-11-16, the NSCC Success Center received an award from the Ohio Department of Higher Education's Chancellor, John Carey. The award was for increasing our usage of eTutoring over the last three academic years. Three out of the current 37 institutions participating in eTutoring received this award.

INSTITUTIONAL GOAL 4: IMPROVE INSTITUTIONAL EFFECTIVENESS

Below is a summary of College Credit Plus enrollment for FY 2016 and FY2017. 97% of students passed classes (grade of D or higher) in fall 2016. This is similar to the previous year.

College Credit Plus

There are several high schools that participated last year that are not participating this year. The high schools include Bowling Green, Continental, Eastwood, ECOT, Northwood, Ohio District Electronic Learning Academy, Perrysburg, Springfield, Sylvania Northview, Sylvania Southview, and Virtual Community School of Ohio. Last year these high schools accounted for:

- 204 Course Registrations mostly at Sylvania Northview & Southview
- 599 Credit Hours
- 19.97 FTE

Most of these course enrollments are related to career technical programs. Some of the courses have career technical assurance guides (CTAGs) so students can receive credit by presenting their transcript to the college; dual enrollment is not required to receive the credit.

Below is a comparison of spring program enrollments by division as of Jan. 19th to fall semester program enrollments. Each division includes CCP student pathways and undecided students.

Chief Fiscal and Administrative Officer January, 2017 Submitted by: Kathy Soards

- The college has received notice from the Court of Claims of the following Orders for the trial to be conducted December 11 13, 2017 regarding the discrimination charges by a former Phlebotomy program student against the college.
 - Plaintiff shall furnish defendant with the names of any expert witnesses and a copy of their reports on or before April 14, 2017.
 - Defendant shall furnish plaintiff with the names of any expert witnesses and a copy of their reports on or before May 31, 2017.
 - o No discovery will be allowed after August 25, 2017, without leave of court
 - Any dispositive motions shall be filed on or before September 8, 2017 and shall be heard pursuant to L.C.C.R. 4.
- Facilities
 - a. The college has received another payment from the NRG Energy Curtailment program in the amount of \$4665.13. To date the college has received over \$19,000 for working to curtail our energy usage during peak times in the summer since 2016.

Financial Aid

- The college received funding award notification for 2017/2018 award year for Federal Supplemental Education Opportunity Grant (FSEOG) and Federal Work Study (FWS) both of which are showing significant declines.
 - FSEOG 2016/2017 allocation is \$49,050 as compared to 2017/2018 allocation of \$40,105 for a decline of \$8,945 or -18.2%. FSEOG is a direct award to students.
 - FWS 2016/2017 allocation is \$53,852 as compared to 2017/2018 allocation of \$43,326 for a decline of \$10,526 or -19.5%. FWS is a direct award to students that the college benefits from as well as it reduces the cost of student employment to the college.

Development—Robbin Wilcox

- Making a Difference Award Recipients for 2017 are Denise McColley (Henry Cty)-Individual, NorthStar BlueScope (Fulton Cty)-Business and Sarah's Friends (Williams Cty)-Organization The Green Carpet Event is scheduled for May 11th.
- Foundation will be approving donations to the College at their January 26th meeting of: \$449,570 for scholarships, \$10,000 unrestricted Foundation operations and \$4,076 Miscellaneous
- Two new scholarships have been designated: STEM Scholarship and Troy Richey Scholarship

Marketing and Public Relations-Dawn Hauter, Jim Bellamy, Mari Yoder

- Launching new marketing effort to recruit/retain CCP through direct mail and email campaign. Targeting 700 juniors and seniors to think NSCC to continue for a degree or transfer credits.
- Collaborating with area businesses who offer tuition reimbursement to create and distribute marketing information to promote programs that will lead to advancement. Spangler is first effort utilizing their Intranet, a private Spangler focused page for NorthwestState.edu, Slide on Spangler-TV (internal video service) and postcards they will distribute to employees.
- Recent review of digital marketing efforts with WTOL-TV showed we are performing above industry standards in click through rate. Cities where our impression was greatest was in Defiance Wauseon, Napoleon and Swanton. Click through rate was greatest in Archbold, Defiance, Bryan and Swanton.
- Working with APT in Hicksville on student recruitment 3-5 minute video for apprenticeship type programs. We will be working with Automatic Feed on similar program. Geared to middle school and high school students to create interest in the program.
- New Distinguished Alumni piece has been developed and will be mailed next week. This continues the effort to engage alumni in the College and build pride in their connection.
- Worked with the Ohio Technology Consortium who was using the Roynon family (and NSCC students) to show positive benefits of e-tutoring services available.
- Several video stories developed and shared through social media and on the NSCC NOW page of the website.
- Working with Admissions on efforts to schedule recruitment/promotional events at area football and basketball games for 2017-18.

Advancement

- Black Swamp Safety Council will welcome BWC Administrator Morrison to the February meeting. The Holiday
 Banquet welcomed over 200 business guests who heard motivational speaker "Corporate Action Hero." NSCC
 was named a training site for BWC last year and we have had success at filling scheduled classes. BWC has
 added additional offerings for 2017-18 based on the success. Area businesses are excited to be able to do this
 training close to home.
- A new effort with Henry County CIC, Napoleon Schools and NSCC is being developed to create preapprenticeship experiences to move high school students toward skilled trades.
- Phase one of signage for renovated C Building is almost complete. Phase two should be completed by the end of February.
- Working with Fulton County EDC on a bus tour for area high school teachers to show careers in the county and discuss training programs that will support employment for their students.
- 5 County Economic Development Directors, area bankers and SBDC State Director Jim Lapply recently met at the College to discuss future of SBDC office in the region. Currently NSCC provides office space for consultant use in working with current and potential small businesses.
- Red Cross Blood Mobile will be on campus February 20th

Board Report for February 2017 Board Meeting

Submitted by: Jim Hoops

Associate Vice President for Strategic Initiatives

I was asked by the Van Wert Chamber of Commerce if Northwest State CC could do a session at their Leadership Conference sponsored by the chamber to talk about conflict resolution. I said sure and invited Katy McKelvey to do the presentation. She did a great job. It was another opportunity to get the Northwest State CC name out in the Van Wert area. There were 20 community leaders from Van Wert who took part in the discussions.

Lori Robison and I were on the Van Wert Mayor radio show and did an interview with Chris Roberts. We spoke about the opportunities an individual has when he/she looked at a place like Northwest State CC to advance their career.

Set up a meeting with Congresswoman Marcy Kaptur to tour the Scott Park Training facility. Representative Kaptur was very engaged during the tour and ask many questions about the training center which Tom Wylie and Dave Conover were available to answer. Also attending were the Toledo Public Schools Superintendent Dr. Romules Durant, Ray Wood president of UAW Local 14 which is affiliated with Chrysler, Diane Miller the Government Liaison for the University of Toledo and Brian Dicken, Toledo Chamber of Commerce.

Director of Human Resources and Leadership Development January, 2017 Submitted: Katy McKelvey

In the Labor Management Team's next meeting we will discuss what the financial impact would be if we implemented the new compensation program prepared by Connie Michalak. We would be implementing this change on July 1, 2018. Kathy Soaards has prepared the cost model for that proposal. The LMC Professional team has not met to give us time to work on different compensation models.

December 9, 2016, Jim Hoops and I met with the Van Wert Leadership Team and gave a presentation on conflict resolution. We were also able to tour the Federal-Mogul plant and met with the Plant Manager and Human Resources Manager.

The first Vital Smarts training for supervisors was conducted December 6-7 and our second class is scheduled beginning January 23. We are planning for a third class beginning on February 7.

On December 5 we celebrated the retirement of five long-term employees with a luncheon that included the employee, their supervisor and Dr. Stuckey. After the luncheon an open house was held to honor the retirees and all employees were invited to attend.

Recruiting - we have filled the following roles:

- Simulation Coordinator Nursing (Jennifer Behnfeldt)
