## **NORTHWEST STATE VAN WERT CAMPUS ANNOUNCES SPRING 2025 COURSES**

*VAN WERT, OHIO* – Your Van Wert Campus of Northwest State Community College is excited to announce the opening of registration for our Spring 2025 semester. Until the Van Wert Campus is fully operational, we have once again partnered with Van Wert Health to host courses starting in January 2025. Classes are scheduled to be held in an 8-week hybrid format (1.5 hours of face-to-face lecture with online assignments) during the week.

Our onsite class offerings allow you to enter several career pathways – Business, Computer Systems, Industrial Tech, and Bachelor’s Bound (i.e. those looking to ultimately transfer to a 4-year university). Classes are available for all student groups, including traditional aged college students, non-traditional/part-time students, students looking to transfer credit back to their home university, workforce development and upskilling, and college credit plus/dual enrollment.

To begin your future educational career or gather more information, please visit the Van Wert Campus website at <https://northweststate.edu/vanwert>. On our Van Wert Campus website, you have access to review all our Academic Divisions, ask any Admissions questions, review Financial Aid and scholarship information, and apply to begin your future at Northwest State Community College.
