The State of Ohio established the "Forever Buckeye" provision in the FY 2012-2013 budget. This provision extends the in-state resident tuition rate to any public or private Ohio high school graduate who left Ohio, but returns to enroll an Ohio college and also establishes residency in Ohio by the first day of classes of the requested semester (Revised Code 3333-1-10). The Forever Buckeye provision removes the 12-month period of establishing domicile in Ohio before becoming eligible for in-state tuition rates.

I affirm that, to the best of my knowledge, the information I have provided on this application is true and accurate. I acknowledge that a false statement on this application will subject me to nullification of the Ohio residency reclassification and the assessment of out-of-state tuition for current and future enrollments and retroactively to the first term of my enrollment as an Ohio resident for tuition purposes. Therefore, I am aware that I may be assessed out-of-state fees if at any time I fail to meet the requirements of the Ohio Administrative Code 3333-1-10. I understand that a reclassification of residency for tuition purposes could impact my bill and/or financial aid package.

The following documents must be submitted with this form:

- a) your Ohio high school transcript or a verification of your graduation on the high school's letterhead stationary; and (Note: A copy of a high school diploma is not sufficient evidence of high school graduation. - b) your current housing lease, property deed, or notarized affidavit from parents/other.
