## CollegeCredit PLUS

College Credit Plus (CCP) at Northwest State Community College is committed to providing dual-enrollment coursework with the intent of enhancing students' career readiness and future college success. Northwest State Community College aims to provide a wide variety of options to college-ready learners in grades 7-12 at no or limited cost.

### Save Money

Take college classes at no cost to Ohio public school students. Save money on college costs if you are pursuing a 4-year degree.

### Get Ahead

Experience what it is like to take college-level classes while earning credit for high school graduation at the same time.

### Transfer Ready

Use your CCP experience at NSCC to transfer coursework on to a 4-year institution or complete a degree at NSCC as a part of one of our many agreements with other institutions.

### Challenge Yourself

Engage in classes that are truly at the college level and go beyond the typical high school classroom.
